Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer. - Psa 19:14

READY TO SERVE

As a member of the body of Christ, I've learned a few things along the way that you may find interesting. This walk with Jesus Christ is a fascinating journey that is best shared with friends.

The articles presented on this site are just a small token of the enormity of God in my life. He has taken me through many tests, trials, struggles, pains, heartaches, and tribulations. However, I've found him to be true to his word. *"I will never leave you nor forsake you"*.

Please feel free to contact me if you need a prayer partner, a friend to speak with, or you just want to say hello.

Change

Living life through changing moments.

Life has its way of helping us understand what change is all about. In terms of what is truly important. In some cases change is becoming different, or to transform a substance entirely, or even to move from one path to another. The chances are highly great that you will experience some form of life's changes before you close your eyes for eternal rest. However, before that time comes, what changes can we initiate to help enhance our walk in this life? Who can we turn to for help during those difficult life changing moments?

The answers to these questions lies at the foot of the cross of Jesus Christ. He tells us to cast our cares upon him because he cares for us. We can change our situations today if we believe in the words that he spoke in the scriptures. Jesus has provided instructions on how to live through life's many changes. As a bonus, Jesus says; "that he will be our source of comfort during changing moments

that we do not have strength enough to bear". Jesus is the answer and a constant helper to those that are in need of help.

The real question becomes how will we meet our maker in the end? The change from this life to the next one will

happen to each of us. Each of us will face death in some form; the question remains, how will things look on the other side? Jesus died so that you could live again; therefore, choose Jesus today as you read through this

article. Accept the Lord Jesus as your personal savior! He will save you from the changes that occur in this life and you will be one of his children in the New Jerusalem.
