## One Law

*"Many of today's church goers live in denial"*

Many of today's church goers live in denial. When confronted with the simple Truths of the Bible, like little children, they cover their eyes and stick their fingers in their ears. I have never fully understood why so many different sermons, books, and

theologies can come from one simple Bible verse. Choose any Bible verse you will and seldom will you get the same answer, from two or more people. More often than not you only get strife, bickering, and confusion.

Be it known that this is not of God. (1Cor. 14:33) I contend that the primary reason for this is we all walk by different rules, because we all have different rule books. The Bible is very clear in its teaching that we ought to live by the same rules. (Exd. 12:49; Num. 15:16, 29; Phil. 3:16) It is equally as clear that there should be only one who gives and interprets the rules. (2 Pet. 1:20 & 21; Jam. 4:12) The majority of today's church goers have discarded the instruction book of the Bible, i.e. the Old Testament, and deemed it irrelevant. (2 Tim. 3:15-17) There is a very good reason for this! Where there is no law there is no transgression! (Rom. 4:15)

# One Law

That leaves the church world free to do whatever they want, whenever they want, because the rules of God have changed or been done away with. Not only absolving themselves of any responsibility for their sins, they justify their actions through the death, burial and resurrection of Jesus. Let us

go back to the old landmark and take Jesus at his word, "But he answered and said, it is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." (Matt.4:4) It is obvious that God gave only one law and it is that set of rules that we all are to walk by. No more sermons! No more books! No more Theologies! Just one Law!
