INTRODUCTION

The Lord has blessed you with a ministry to educate the membership of the church. The charge of the Sabbath School Teacher is something that should be viewed as a “pastoral” role in the church. For clarity, you are NOT the Pastor but your charge is that of a Pastor; to oversee the educational development of each of your students.

The primary goal of the Sabbath School Teacher is to identify areas of educational weakness and provide for the development of that student in every way possible. Each student is unique and requires assistance based on his characteristic needs.

MISSION STATEMENT

The mission of the Sabbath School is to provide a safe, nurturing environment for spiritual development and practical application of the Principles of Christ for all students involved in the Sabbath School.

SABBATH SCHOOL THEME

Hebrews 2:1 - Therefore we ought to give the more earnest heed to the things which we have heard, lest at any time we should let them slip.

Lesson plans should be designed to augment the current curriculum. The House of God Children's Sabbath School book should be used as a first form of reference. All other materials need to undergo a "pastoral review" before being used in our classes.

Teachers will be responsible for preparing some type of presentation for our Annual Open House, which is the first Sabbath in December. (Also begins our 2nd quarter) Open House is designed to show the parents of our children exactly what is going on in our Sabbath School program.
